

Welcome to the 30th Annual General Meeting

Poly Medicure Ltd.
25th September 2025

Forward Looking Statement

Disclaimer

This presentation has been prepared for general information purposes in respect of Poly Medicure Limited (“**Company**”) together with any subsidiary, associate or joint venture, as applicable (together, with the Company, the “**Group**”) only, without regard to any specific objectives, suitability, financial situations and needs of any particular person and does not constitute any recommendation or form part of any offer or invitation, directly or indirectly, in any manner, or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company in any jurisdiction, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any contract or commitment therefor. This presentation does not solicit any action based on the material contained herein. Nothing in this presentation is intended by the Group to be construed as legal, accounting or tax advice.

This presentation has not been approved and will not or may not be reviewed or approved by any statutory or regulatory authority in India or by any Stock Exchange in India.

This presentation contains certain forward-looking statements relating to the business, financial performance, strategy and results of the Group and/ or the industry in which it operates. Forward-looking statements are statements concerning future circumstances and results, and any other statements that are not historical facts, sometimes identified by the words including, without limitation “believes”, “expects”, “predicts”, “intends”, “projects”, “plans”, “estimates”, “aims”, “foresees”, “anticipates”, “targets”, and similar expressions. The forward-looking statements, including those cited from third party sources, contained in this presentation are based on numerous assumptions and are uncertain and subject to risks. A multitude of factors including, but not limited to, changes in demand, competition and technology, can cause actual events, performance or results to differ significantly from any anticipated development. Neither the Group nor its affiliates or advisors or representatives nor any of its or their parent or subsidiary undertakings or any such person’s officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this presentation or the actual occurrence of the forecasted developments. Forward-looking statements speak only as of the date of this presentation and are not guarantees of future performance. As a result, the Group expressly disclaims any obligation or undertaking to release any update or revisions to any forward-looking statements in this presentation as a result of any change in expectations or any change in events, conditions, assumptions or circumstances on which these forward looking statements are based. Given these uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements. Certain numbers in these presentations and materials have been subject to routine rounding off and accordingly figures shown as total in tables and diagrams may not be an arithmetic aggregation of the figures that precede them.

The information contained in these presentations and materials are only current as of the dates specified herein and have not been independently verified. None of the Group, its directors, promoter or affiliates, nor any of its or their respective employees, advisers or representatives or any other person accepts any responsibility or liability whatsoever, whether arising in tort, contract or otherwise, for any errors, omissions or inaccuracies in such information or opinions or for any loss, cost or damage suffered or incurred howsoever arising, directly or indirectly, from any use of this presentation or its contents or otherwise in connection with this presentation, and makes no representation or warranty, express or implied, for the contents of this presentation including its accuracy, fairness, completeness or verification or for any other statement made or purported to be made by any of them, or on behalf of them, and nothing in this presentation or at this presentation shall be relied upon as a promise or representation in this respect, whether as to the past or the future. Past performance is not a guide for future performance. The information contained in this presentation is current, and if not stated otherwise, made as of the date of this presentation. The Group undertakes no obligation to update or revise any information in this presentation as a result of new information, future events or otherwise. Any person/ party intending to provide finance/ invest in the shares/ businesses of the Group shall do so after seeking their own professional advice and after carrying out their own due diligence procedure to ensure that they are making an informed decision.

This presentation includes certain industry data and projections that have been obtained from industry publications and surveys. Industry publications and surveys and forecasts generally state that the information contained therein has been obtained from sources believed to be reliable, but there is no assurance that the information is accurate or complete. Neither the Company nor any of its advisors or representatives have independently verified any of the data from third-party sources or ascertained the underlying economic assumptions relied upon therein. All industry data and projections contained in this presentation are based on data obtained from the sources cited and involve significant elements of subjective judgment and analysis, which may or may not be correct. For the reasons mentioned above, you should not rely in any way on any of the projections contained in this presentation for any purpose.

This presentation is not a prospectus, a statement in lieu of a prospectus, an offering circular, an advertisement or an offer document under the Companies Act, 2013, as amended, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended, or any other applicable law in India.

This presentation is strictly confidential and may not be copied or disseminated, reproduced, re-circulated, re-distributed, published or advertised in any media, website or otherwise, in whole or in part, and in any manner or for any purpose. Any unauthorized use, disclosure or public dissemination of information contained herein is prohibited. No person is authorized to give any information or to make any representation not contained in or inconsistent with this presentation and if given or made, such information or representation must not be relied upon as having been authorized by any person. Failure to comply with this restriction may constitute a violation of the applicable securities laws. Neither this document nor any part or copy of it may be distributed, directly or indirectly, in the United States. The distribution of this document in certain jurisdictions may be restricted by law and persons in to whose possession this presentation comes should inform themselves about and observe any such restrictions. Accordingly, any persons in possession of the aforesaid should inform themselves about and observe any such restrictions. By reviewing this presentation, you agree to be bound by the foregoing limitations. You further represent and agree that you are located outside the United States and you are permitted under the laws of your jurisdiction to receive this presentation. You may not repackage or sell the presentation. Information contained in a presentation hosted or promoted by the Group is provided “as is” without warranty of any kind, either expressed or implied, including any warranty of fitness for a particular purpose.

This presentation is not an offer to sell or a solicitation of any offer to buy the securities of the Company in the United States or in any other jurisdiction where such offer or sale would be unlawful. Securities may not be offered, sold, resold, pledged, delivered, distributed or transferred in to or within the United States absent registration under the United States Securities Act of 1933, as amended (the “**Securities Act**”), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in compliance with any applicable securities laws of any state or other jurisdiction of the United States. Any public offering of securities to be made in the United States will be made by means of a prospectus that may be obtained from the issuer and that will contain detailed information about the issuer and management, as well as financial statements. The Company’s securities have not been and will not be registered under the Securities Act and will not be offered to the public in the United States.

The distribution of these materials in certain jurisdictions may be restricted by law and persons into whose possession these materials comes should inform themselves about and observe any such restrictions.

By accessing this presentation, you accept this disclaimer and any claims arising out of or in connection with this presentation shall be governed by the laws of India and only the courts in the concerned state in India and no other courts shall have jurisdiction over the same.

Key Highlights of the year

Acquisition of Citieffe Inc

Acquiring **100% stake** in Italy-based Citieffe Inc. which manufactures Orthopedic Trauma products

Acquisition of PendraCare Group

Acquired **90% stake** in the Netherlands-based PendraCare Group which makes Cardiac Catheters

RisoR Stent Clinical Study

India's **First International Clinical registry** of 2000 patients to evaluate safety & performance

Launched 30+ new products

Launched over **30+ new products** across Business segments in FY 25

MDR Approval Received

Received **EU MDR certification** for **89 medical device products**

Launch of Drug Eluting Stent

Implanted over **3000 DES** with a positive feedback received from patients and clinicians

Awards & Accolades

Himanshu Baid, MD, received **EY Entrepreneur of the Year Award 2024** - Lifesciences & Healthcare Category

New manufacturing facilities

Ongoing Construction in **2 new plants in Haridwar & Palwal**; expected to become operational in FY26 and FY27

Qualified Institutional Placement (QIP)

₹1,000 crore raised by Polymed in Aug 2024 allotted at Rs 1,880 per share

Citiefte – fully integrated Trauma and Extremity supplier with global sales footprint

Vertically integrated developer, manufacturer and distributor of Trauma and Extremity fixation systems ...

Citiefte

Founded in **1962**, Located in **Bologna, Italy**

45+ patents. Dedicated **R&D team of 6 FTEs**

109 employees

54+ KOL across globe from leading institutions

MDR clearance on the full portfolio with in-house **manufacturing in Italy**

Low customer complaint rate with defective product rate lower than 0.001%

Unique navigation software for nailing systems

CY24 Revenue : €17.3Mn (15% YoY growth)
EBITDA: €3.1Mn* (14% YoY growth)

With diversified revenue base

Core Business Split, CY24

- **With global presence. Approx. 85% of sales coming from countries with direct sales force presence**
- **#2 independent player in Italy with a c. 12%+ market share** (Excluding plates)
- **One of the Top players in Mexico with 12% + market share** (Excluding Plates and low cost products)
- Geographical coverage of 25+ countries with 25+ distributors

Backed by strong management

P. Govi – CEO

In Citiefte since 2019
~34+ years of work experience

E. Cocchi – CFO

In Citiefte since 2021
~26+ years of work experience

M. Rambola' – Global Supply Chain Director & GM USA

In Citiefte since 2020
~18+ years of work experience

R. Fernandez – GM México and LATAM sales director

In Citiefte since 2018
~25+ years of work experience

A. Dovesi – R&D Director

In Citiefte since 1987
~30+ years of work experience

Acquiring the company for ~ € 31 Mn (Enterprise Value), deal signed on 24th Sep 2025

* Excludes one off /extraordinary expenses and income

Manufacturing Facility Overview

FISA cleaning machine

IEMCA Bar Feeders

Milling Machine: Vesta 610D

Laser Marking LASIT
Compact mark G7

Blasting Machine
NORDBLAST

Turning Machine:
TORNOS Deco EVO20

Facility overview

ISO 9001 & ISO 13485 approved **manufacturing**

2 production facilities:

Site 1 – Production facility, total area of **1,000 m²**, with **total 12 machines**

Site 2 – Assembly & packaging facility, total area of **1,100 m²** with a **total of 10 machines**

Semi-finished goods are received from Site 1 & assembled at site 2, then cleaned & packaged & sent to customers

Facility currently runs at 60% capacity, with the ability to add a third shift to cover the forecast ramp up in sales

Citiefte product portfolio, powered by strong R&D and globally accredited quality

Areas Covered by Portfolio	Products Category	Products
 Humerus 1 Radius Ulna 2 Femur 3 Tibia 4	Internal Fixators	
	External Fixators	
	Navigation Systems and Instruments	
 Made in Italy		

PendraCare – A Unique Interventional Cardiology consumable business in Europe

PendraCare – One-of-a-kind opportunity

Located in **Leek Netherlands**

Product registration in more than 60 countries (CE / FDA / CFDA / ANVISA)

Trusted Global Supplier to medical devices industry leaders

67 employees

Only independent player of size and scale in Europe specializing in cardiology catheter business

Capacity of >1.5 million products per year;
Current production is 700-800k units per year

CY24 Revenue : EUR.9.9 million
EBITDA : EUR 1.4 million,

Expect to generate annual EBITDA synergy of EUR 3-4 million in next 3-4 years

With diversified revenue base

Core Business Split, CY24

- **Operating across 35+ countries with 50+ distributors** across Europe, Middle East and Latin America.
- **Long term relationships with leading global OEMs** for product manufacturing and distribution
- Recently partnered with a European medical device company for **development and distribution of products used in the structural heart segment**
- In discussion with another US based company for development of neuro segment products

Backed by strong management

Sander Hartman – CEO / Founder

In PendraCare since 2012
~20+ years of work experience

Thea van Leersum – Manager Sales and Supply Chain

In PendraCare since 2008
~20+ years of experience

Erendira Rodriguez – Director QA-RA and clinical

In PendraCare since 2019
~15+ years of experience

Han Post – Manager R&D

In PendraCare since 2019
~25+ years of experience

Wendy Melchior – HR Director

In PendraCare since 2018
~25+ years of experience

Acquired the company for ~ €18Mn (Enterprise Value), closing done on 23rd Sep 2025

Manufacturing Facility Overview

ISO 13485 and FDA approved **manufacturing**

3,800 m² **Leased facility** (across 3 locations)

1,150 m² **Cleanroom**

>1.5 million **production capacity per year**

New lease signed ~2300m² for consolidating operations at one location; transition expected in CY 2028

Well Established Products with regulatory approvals in key markets

Product	Description	Photos	OEM	Distributor
Guiding Catheter (GC)	• CE marked & FDA approved • 2.5-year ARCUS-IMPROVE clinical data • Radial access design: hydrophilic coating & support		✓	✓
Diagnostic Catheter (DC)	CE marked Superior body characteristics, excellent torque and high flow rate		✓	✓
Semi - Finished	• Guiding & diagnostic catheter components • Licensing model for end-product finalization		✓	
CD/CM	• Catheter Contract Development • OEM manufacturing of braided catheters		✓	

Ongoing work in Manufacturing Plant

Palwal plant is under construction and is expected to begin operation in FY26-27

In Haridwar plant work is in more advanced stage and is expected to begin operation in Q3' FY25-26

India MedTech – Sunrise Sector Unveiling Enormous Growth Opportunities

4th

Largest Market in Asia

After Japan, China & South Korea

\$15 Bn

Current Market Size

Historic Growth -

2009: 1B→2015:2B→2015:4B →
2022: \$11B

15-20% CAGR Growth

Projected Growth

\$50 Bn

Market Size by 2035

Evolving Ecosystem

- India's inherent digital and technology strength
- Burgeoning startup ecosystem
- Improving investor sentiments

Demographics & Socioeconomics

- Expanding middle class
- Rising insurance coverage
- Medical tourism

Growth Drivers

- Changing Disease Patterns
- Rising chronic diseases
- Aging population
- Shift to home healthcare, digital health

Government Initiatives

- PLI Scheme
- Medical Device Parks
- New proposed Drugs, Medical Devices and Cosmetics Bill, 2022
- National Medical Devices Policy, 2023

Currently, industry depends on imports to a large extent, especially for high-risk, technologically advanced medical devices

Our Strength: Consistent all-round growth

Shareholding Pattern as of 31st August 2025

Way Forward

Towards our Commitment to a **(Sustainable World)**

Approx. 50% facilities are certified under
ISO 14001:2015

ENVIRONMENTAL MANAGEMENT SYSTEM

- Annual Health check-up of 208 employees
 - One on one consultation with certified nutritionist- 67 employees
- 1686 training attendances recorded

EMPLOYEE WELLBEING

9.9 MWp solar energy

- To achieve a ~28% reduction in scope-2 emission
 - 30% cost saving
 - Commission by Oct 25

SIGNED PPA AGREEMENT

- Only Indian Member
 - Help in Scope-3 emission reduction

ZEMBA MEMBERSHIP

SUSTAINABLE DEVELOPMENT

- 5% reduction in energy consumption during APR-AUG 25 compared to the same period in FY 24-25

Energy Consumption

Achieved ~4% reduction in Scope 2 during APR-AUG 25 compared to the same period in FY 24-25

SCOPE 2 EMISSION

APR TO AUG 25-1136 MW

Achieved 7% increase in onsite solar power generation during APR-AUG 25 compared to the same period in FY 24-25

ONSITE SOLAR POWER GENERATION

33 Pits for Rain Harvesting to recharge ground water & 7 STPs provided to reuse the wastewater after treatment

WATER CONSERVATION & RECYCLING

- LCA is Ongoing for Prefilled Syringe as per ISO 14040/44

Life Cycle Assessment

Thank You
